

North Central District Grass Golf - 2012

North Central District Playoffs – Thurs., Sept. 13th (1:10-2:20).

Location: Cooke Municipal Golf Course

- A district school winner to be determined from an 18 hole one round tournament.
- The district winning team is determined by taking the scores of 3 boys and 2 girls on each hole from the members of the team competing. This winning team will compete in the provincial championships Sept. 21/22 in Prince Albert.
- A district individual qualifier(s) can only be made up of boys and girls who finished in the top 3 but did not qualify with their school.
- Please note that schools entering districts must not use the districts as an opportunity to bring a large contingent of players who have no chance of qualifying for the provincials. Carlton and St. Mary may bring up to 8 boys and 8 girls. All other schools may bring up to 4 boys and up to 4 girls. These players must be declared as their school team prior to districts being held. This is due to the population size of schools in the district. All golfers must have a good knowledge of the rules and can play independently without close supervision. Please do not bring golfers who are beginners and/or have little experience in the game. This will keep the number of competitors down to a number that is workable.
- Coaches will be asked to walk with a group of golfers and scorekeep (if necessary) and to keep the group playing quickly. A rules official will be on a cart to assist players if needed.
- **All district entries must be faxed to Ron Stewart (763-5525) by no later than Tuesday, Sept. 11th.** No late entries and no post entries can be accepted. All tee times are pre booked and we are not allowed to add additional golfers. Rules of play will be explained to all coaches and players by 1:00 pm on Sept. 13th. Please arrive in time to be present for that meeting. Driving range usage is allowed up to and after the player's meeting.
- If you have any questions or concerns, please contact Ron.

Thank you.
